

LINDSEY POLLAK

MULTIGENERATIONAL WORK EXPERT

Lindsey Pollak is the leading expert on the millennial generation and today's multigenerational workplace. Often called a "translator," she advises both young professionals looking to succeed in today's work environment and the organizations that want to recruit, retain and engage them.

Her next book, *The Remix: How to Lead and Succeed in the Multigenerational Workplace*, will be published by HarperCollins in May 2019.

Lindsey is also the *New York Times* bestselling author of *Becoming the Boss: New Rules for the Next Generation of Leaders* and *Getting from College to Career: Your Essential Guide to Succeeding in the Real World*.

Her speaking audiences and consulting clients have included over 250 corporations, law firms, conferences and universities, including Citi, Estée Lauder, GE, J.P. Morgan, LinkedIn, PwC, Shearman & Sterling, Yale, Harvard, Wharton and Stanford.

Lindsey's advice and opinions have appeared in such media outlets as The TODAY Show, *The New York Times*, *The Wall Street Journal*, CNN and NPR.

She is a graduate of Yale University and is based in New York City.
